MEMBER NEWS

Congratulations to Marilyn Massey, Townwest Sertoma Club's October 2009 Sertoman of the Month. Marilyn has had perfect attendance at club meetings this year. She helps on nearly all Sertoma projects and fundraisers, even taking vacation time from work to attend some. She is an enthusiastic worker and great asset to the club. To read more about Marilyn's nomination, see our website at www.townwestsertomaclub.org

IN THE NEWS

The club received a thank you note from Happy Hands for donations of needed items for their organization. Berryhill Serteen club also donated items so that when Susan Reynolds delivered them she had a "trunk load" of goodies.

Thanks to Wes Harmon and ONB bank for donating toward purchase of pies for the SHOP Thanksgiving

Dinner. Thanks to Leonard Wood for delivering those pies.

A bookshelf had been donated for our June yard sale, but since we found out about the need for shelves at Clinton, we decided to donate the item to Ms. Ingham. The shelf will be delivered after Thanksgiving. There will be a plaque placed on the front indicating it was a donation made from Townwest Sertoma.

SHARP NEWS

During the month of October four aids were fitted, eight applications were processed and 10 hearing aids were donated. Two presentations were given at CIAT @ LIFE Services and Sand Springs Senior Center. Donation of \$200 came from Downtown Tulsa La Sertoma and \$250 from Coffeyville Sertoma. At the November meeting, 11 applications were reviewed and approved. The next meeting will be at Billie Hill's home, December 4.

SHOP NEWS

In order for the Owasso shop to continue operations, the board thought "outside the box" and held a dance to invite prospective clients. There were around 67 people and it looks like they will pick up enough new clients to keep their doors open and service that area. Another dance will be held Dec. 18.

BIRTHDAYS

Dec 9 – Leonard Wood

Dec 14 – Bob Schwarz

Dec 17 – Truman Divine

ANNIVERSARIES

Dec 30 – Randy and Elaine McGoffin

TOWNWEST SERTOMANS AT WORK

November was a busy time for Townwest Sertoma projects. Wes Harmon, Roy Heim, Sherry Heim, Mike Massey and Ed Massey assembled Red Fork Main Street's derrick for the Chandler Park Lights on the Hill display.

Mike Massey had cut out and painted a train for the Webster Homecoming Parade (which was rained-out.) So Mike and Roy Heim set the display up for Chandler Park Lights on the Hill.

You can see both of these displays and many more Friday, Saturday, or Sundays Nov 27 through Dec 27 at Chandler Park.
